

**Group Scout Leaders Report
35th Norwich Sea Scout Group
AGM 2025**

The past year has seen many advances made by all sections of the Group.

Our Section leaders, need as much support as we can give them to continue their great efforts in providing amazing programs for the youngsters. Along with their team of assistants and helpers, they are the front line of the Group and we thank them all. I am pleased our Scout Leader, Mathew Walker, has agreed to become Assistant Group Scout Leader, while remaining as SL, as he has become invaluable in helping with the whole Group.

We have new leaders for the Cubs during the past year and the section is moving forward rapidly now.

We also have had a request to start a Squirrel section (4-6 years), which is for youngster below Beaver age. But until we can find more Adult leaders willing to help and have District approval that will have to be in the future.

There have been many highlights over the past year with all sections having nights away, camps, hikes, visits and many exciting adventures and the Sections will detail more.

I wish to thank the Group Trustees for overseeing the development of the Group with their hard work behind the scenes.

Under the direction of our chair, Deane, the Trustees continue to support the Group and I thank them for maintaining the HQ, grounds and providing the necessary funding for us to continue growing the Group. We are always pleased to welcome any new members onto the Trustees of the Group and anyone who can spare some time to help to keep the Group running.

Thanks to all for your continued support of the 35th Norwich Sea Scout Group.

Brian Tucker
